### UNIVERSITY OF NORTH DAKOTA NATIONAL SCIENCE FOUNDATION SCHOLARSHIPS

Founded on the principle that an outstanding liberal arts education is the basis of successful citizenship, UND is focused on teaching, research and creative and scholarly activity, and service to the state of North Dakota, nation, and world. Students matter at UND. It is a place where students research alongside renowned faculty and those same renowned faculty light up the classrooms.

The National Science Foundation has awarded to the University of North Dakota Science Team a grant to support a scholarship program to students in biology, chemistry, geography and mathematics. The program will provide financial support for up to 4 years (if renewal criteria are satisfied) covering tuition & fees with support of up to \$10,000 a year, depending on the financial aid eligibility and qualifying to the selection/eligibility criteria.

## MONMOUTH COLLEGE MERIT-AND NEED-BASED SCHOLARSHIPS

Monmouth College, a residential liberal arts college located in the beautiful, safe and affordable Midwest, warmly welcomes international students, including transfer students.

There is no application fee, and admitted students are automatically considered for merit scholarships (of up to \$21,000 per year) - there is no additional application required. With proper documentation, students will also be considered for financial-need-based aid (approximately \$5,000 per year). The total cost to the student next year (including room, board, travel, books, and health insurance) will be approximately \$13,000 per semester. We require TOEFL or IELTS; SAT scores may be substituted for the language proficiency scores, but we do not require SAT scores.
