MONMOUTH COLLEGE INTERNATIONAL STUDENT SCHOLARSHIPS

Founded in 1853 by pioneering Scotch-Irish Presbyterians, Monmouth College brought the blessings of civilization to the people of the rough frontier and spoke of traditional values to those who were shaping a new world. Though today our life knows different frontiers, the College still thinks of its purpose as its founders did—preserving and celebrating the traditions that have been entrusted to it while promoting discovery and investigation.

Monmouth College has had a longtime commitment to welcoming international students, but it is now stepping that up with the introduction of two generous scholarships.

“For the past several years, international students have paid a set rate to attend Monmouth College, regardless of their academic profiles,” explained vice president of enrollment management Omar Correa. “We are pleased to provide this new financial assistance, especially to very talented international students who know they want to attend college in the U.S. but have concerns about the cost.”

SWEET DIGGITY DAWG \$20,000 SCHOLARSHIP

Zinch allows students to be seen for what they are -- not just numbers, but people. With more than 800 schools and over 1.9 billion in scholarships, Zinch has quickly become the standard for helping students succeed. Zinch is now 3 million plus students and growing fast.

Our 2011 Sweet Diggity Dawg scholarship competition is officially underway! If you're new to Zinch, this is our longest running and most prestigious scholarship award. Each year applicants are selected to compete based on their Zinch profile—students then go head-to-head, with fellow Zinch users voting to advance the best profile, until only one student remains claiming the \$20,000 scholarship. Applicants must be U.S. or international high school students graduating in 2011, 2012, 2013 or 2014.

GEORGIA COLLEGE INTERNATIONAL STUDENT SCHOLARSHIPS

Creativity and innovation in teaching and learning are the hallmark of Hamline University—home to nearly 4,900 undergraduate, graduate, and law students. At Hamline, students collaborate with professors invested in their success. They are challenged in and out of the classroom to create and apply knowledge in local and global contexts, while cultivating an ethic of civic responsibility, social justice, and inclusive leadership and service.

Georgia College International Student Scholarships are awarded as either a full out-of-state tuition waiver or a half out-of-state tuition waiver, and are awarded on the basis of demonstrated academic ability, evidence of extra-curricular involvement and financial need. To be considered for the ISS, applicants must have on file a completed application for admission and completed ISS application by the stated deadline. Those international students who have not been awarded an ISS prior to attendance at Georgia College can compete once a year for a limited number of available scholarships.

THE COMPLICATIONS OF FRIENDSHIP IN AMERICA

Simbarashe, an international student from Zimbabwe, blogs about his experience making friendships and understanding a new culture while studying at Oberlin College.

"It occurred to me recently as I was sitting around the table having lunch in between classes that the vast majority of my friends in college are international students. Now, this is not to say I had been living in oblivion about this fact all this time, but rather I came to the realization that I ought to think critically about how and why this had happened" writes Simbarashe.
