### SAINT VINCENT COLLEGE MERIT-BASED SCHOLARSHIPS

Saint Vincent College is an educational community rooted in the tradition of the Catholic faith, the heritage of Benedictine monasticism, and the love of values inherent in the liberal approach to life and learning.

Saint Vincent College offers merit-based scholarships to incoming freshmen and transfer students. These are awarded as part of the admission process for the 2013-14 year and are based on full-time enrollment.

### TENNESSEE TECH UNIVERSITY HONORS PROGRAM TUITION REDUCTION

Welcome to the Tennessee Tech University (TTU) Honors Program! We provide smaller, in-depth classes and co-curricular activities in leadership, service, personal growth, team-building, and greater cultural understanding. In addition, the Honors Program reduces tuition costs by 67%!

If you have a composite ACT score of 26 or above, you are eligible to join Honors as an incoming freshman. If you are a current student or are transferring from another university, you must have a 3.5 cumulative GPA and have completed at least twelve credit hours at TTU.

Every Honors Program is different. Most first-year students in our program tell us that they expect honors programs to provide challenging classes, the best teachers, a motivated group of intelligent peers, and recognition of their accomplishments. While these things are generally true, graduating seniors tell us that the best feature of the TTU Honors Program is its sense of community: of caring teachers; of a wide variety of motivated people; of a place where they can be themselves.
