EASTERN MICHIGAN UNIVERSITY (MI) INTERNATIONAL SCHOLARSHIPS

Several options are available to students from around the country and world to help finance your undergraduate studies at Eastern Michigan University: The National Scholars Program (NSP) Scholarship - Renewable award which pays the difference between in-state and out-of-state tuition (approximately \$15,000 per year). Open to incoming freshman and transfer students with a 3.0 or higher cumulative GPA on a 4.0 scale. To be eligible, you must be admitted as a non resident for tuition purposes. Transfer students must have completed 30 transferable credits prior to admission for eligibility. Students are automatically considered for the NSP at the time of admission based on the GPA used to make their admission decision. Students must be admitted by the priority deadlines in order to be eligible.

WESTERN WASHINGTON UNIVERSITY (WA) 'ASK ME ANYTHING ABOUT MY COUNTRY' BOOTH

Western Washington University international students took turns sitting in the "Ask Me Anything About My Country" booth on the Bellingham, WA, campus on Friday, May 16. Passersby asked the students about their countries, their cultures, and their experiences as international students in the US. Organized by International Student and Scholar Services, the goal of the event was to celebrate WWU's international population and to encourage cross-cultural education on a personal level.

International Student and Scholar Services supports international students at Western Washington University, providing assistance with immigration advising, practical matters, and social and cultural adjustment. ISSS also works to promote cross-cultural exchange throughout the University community. International students may begin their studies at Western Washington University in Fall, Winter, or Spring quarters.

UC BERKELEY (CA) FUNDAMENTAL STUDIES IN BUSINESS AND ENTREPRENEURSHIP PROGRAM

Prepare to lead a small business or start your own with the Fundamental Studies in Business and Entrepreneurship program. Course topics range from leadership and opportunity recognition to business plan creation, social media marketing and Web platform development. You have the opportunity to visit the Silicon Valley and gain first-hand knowledge of how the startup industry operates and build a valuable network among institutions that support small-business development. The internship program offers on-the-job experience at local companies and organizations. Spaces are still available for the September term. Applications are due July 25.

HOW TO HANDLE MONEY MATTERS AS AN INTERNATIONAL STUDENT

It's a good idea to know how different things work when you're going to a foreign country. In the U.S. international students will realize quickly that people handle money differently than in their home country. In some ways, the U.S. is very contradictory when it comes to financial matters: On one hand, few use cash, depending more on credit and debit cards; on the other hand, many people get paper paychecks and actually still use checks to pay bills for things such as electricity, like I had to at my dorm.
