UNIVERSITY OF EVANSVILLE ACADEMIC SCHOLARSHIPS

Established in 1854, the University of Evansville, located in Southwestern Indiana, has a rich history that spans more than 150 years. The university has received national recognition for its dedication to international education.

The University of Evansville offers academic scholarships in a range of approximately \$10,000 to \$16,500 each academic year with a limited number of substantially higher awards for outstanding academic performance. Scholarship is awarded to students who display excellent academic credentials. There is no separate financial aid application to complete, as each applicant is automatically considered for academic, merit-based scholarship.

CAMERON UNIVERSITY NONRESIDENT TUITION WAIVERS

Cameron University provides a diverse and dynamic student body access to quality educational opportunities; fosters a student-centered academic environment that combines innovative classroom teaching with experiential learning; prepares students for professional success, responsible citizenship, life-long learning, and meaningful contributions to a rapidly changing world; and is a driving force in the cultural life and economic development of the region.

Cameron University offers a nonresident tuition waiver to both undergraduate and graduate students who qualify. This waiver allows students to pay the same tuition rate as a resident of Oklahoma and waive the out-of-state portion of tuition, a substantial savings for international students.

UNIVERSITY OF MIAMI FELLOWSHIPS

A private research university with more than 15,000 students from around the world, the University of Miami (UM) is a vibrant and diverse academic community focused on teaching and learning, the discovery of new knowledge, and service to the South Florida region and beyond.

The UM Fellowship provides funding for graduate students for two years at \$25,000 per year. The Schools and Colleges will provide a tuition waiver for the UM Fellows. All fields eligible. Students must apply directly to their individual graduate program director. Graduate program directors submit their nominations to the Graduate School. Graduate School committees make the final selections across departments.

HOTCOURSES COLLEGE SEARCH RECOGNIZED BY THE SUNDAY TIMES

Hotcourses produces one of the largest education comparison websites in the world. Over a quarter of a million prospective students visited their various international websites last week alone, and they have over 400,000 members in their social media groups.

With over 800 companies submitting entries this year to The Sunday Times list of best companies to work for, Hotcourses placed in the top tier. The list evaluates the organizations' statistics, policies, and processes, as well as surveys the employees. The company received particular recognition in several areas and received a higher average score in all categories than other companies of its same size.
