XAVIER UNIVERSITY INTERNATIONAL AMBASSADOR TUITION WAIVERS

Xavier University, located in Cincinnati, Ohio, is one of 28 Jesuit colleges and Universities in the United States. The English as a Second Language (ESL) Program provides instruction and academic training for international students who intend to enter American universities or improve their ability to use English for professional purposes. Each calendar year, up to five new international students are selected on a competitive basis from those who have completed the advanced level of the ESL Program and enroll as undergraduate students at Xavier.

Under the International Ambassadors program, students receive a 50% reduced tuition rate and participate in service roles on campus. The students do not work or receive a paycheck, but their service placements ensure that they interact with students, faculty, and other campus staff in meaningful ways. The reduced tuition rate scholarship applies for 8 semesters, or until graduation, whichever comes first. All other school fees and living expenses are the responsibility of the student.

THANKSGIVING BREAK PRESENTS MANY OPTIONS FOR INTERNATIONAL STUDENTS

While most students are looking forward to spending Thanksgiving break relaxing at home with family and friends, those who are too many miles away to make the trip back home are anticipating spending the week on UConn's soon to be vacant campus.

Among those spending Thanksgiving break on campus are University of Connecticut international students. Some are taking advantage of the week-long break from classes to do some of the sightseeing they have not been able to fit into their schedules until now.

"I'm excited to finally discover New York City," said Tissem Elmeoued, an international student from Paris, "I'm going to visit everything." Main Nguyen, an international student from Frankfurt, Germany, will also be spending a few days in New York City before heading down to North Carolina to spend her very first Thanksgiving with her host family in Charlotte. While Nguyen is looking forward to her first Thanksgiving, she is especially excited for her first "Black Friday" shopping experience.
