NEW COLLEGE OF FLORIDA ACADEMIC SCHOLARSHIPS AND GRANTS

The history of New College goes back to the late 1950s when, at the behest of the local Chamber of Commerce, citizens banded together to seek out a local college to complement the growing city's art museum, symphony orchestra and theaters. The mission and goals of New College evolved out of intensive dialogue about higher education at the College's inception in the early 1960s. That dialogue involved administration, trustees and the charter faculty.

This year we are offering a \$15,000 (\$60,000 over 4 years) scholarship to select out-of-state and international students who are admitted for the fall 2013 session. There are 63 scholarships available so we encourage students to apply by February 15th at the latest.
